

# Sales Representative/Service Technician

**If you're looking for a dynamic and rewarding career in fire safety, Fire Direct could be the perfect fit for you.**

We are always on the lookout for talented sales and service professionals in Ireland to join our team. We offer competitive salaries, opportunities for progression, and a supportive working environment.

This role involves servicing and maintaining customer accounts while identifying and developing new business opportunities. You'll sell and service fire extinguishers, first aid products, and other safety equipment. Sales experience is an advantage, but not essential, as full training will be provided. A strong command of English is required.

## Key Responsibilities

- Service and maintain existing customer accounts to a high standard
- Identify and actively pursue new business opportunities
- Build and maintain strong client relationships
- Install and service fire extinguishers and safety equipment
- Complete all administrative duties accurately and on time

## Key Requirements

- Strong customer service skills and a professional manner
- Self-motivated and solution-driven
- Ability to work towards targets and manage your own schedule
- Practical, hands-on approach to servicing equipment
- Full clean driving licence
- Fluent English (written and spoken)

## Perks & Benefits

- Salary: €40,000 – €45,000 (depending on experience)
- Commission structure
- Monthly performance bonus
- Pension scheme
- Company mobile phone
- Company vehicle and fuel card
- Ongoing training and development

- 21 days annual leave + bank holidays

### **Why join us**

- Build a long-term career in a stable, growing industry
- Clear opportunity to increase earnings through performance
- Full training and ongoing support provided
- Work within a close-knit, straightforward team environment
